SUMMARY

Self-motivated Data Science student at NED University with hands-on experience in data analysis, machine learning, and computer vision. Skilled in deriving insights from data, building predictive models, and solving real-world problems using AI technologies.

WORK EXPERIENCE

Data Insight Club – CSIT Department, NED University

Nov 2023 - Present

- Collaborated with fellow data science students to organize hands-on workshops and knowledge-sharing sessions.
- Contributed to discussions on real-world data challenges, helping foster an active learning environment, allocated budget.
- Organized a Data Science Hackathon “Data Quest” at the CSIT Department.

PROJECTS

Resume Parser and Job Description Matcher

MiniLM, Gemini Pro, Flask

- Identified a gap in recruitment processes for early-career applicants seeking job feedback.
- Built a web app that analyses resume with job description and provides LLM’s feedback.
- Delivered a functional, user-friendly resume evaluation tool that achieved 100% success in matching resumes to relevant roles.

AI University Chatbot using RAG

Sentence Transformers, Gemini Pro, Flask

- Recognized the need for a solution to help students get accurate answers to university-related queries.
- Built a context-aware chatbot that parses multiple academic PDFs and responds to natural language queries using a RAG-based approach.

EDUCATION

Bachelors in Computer Science (Specialization in Data Science)

Oct 2023 - Present

NED University of Engineering and Technology

CGPA - 3.817

- Specialization in Data Science and Computer Vision.
- Currently researching on “MobileNet and EfficientNet CNN Models for Edge Devices”

Intermediate in Pre Engineering

Aug 2021 - Aug 2023

Adamjee Government Science College

- Achieved 87.44% with an A+ grade in Intermediate.

ADDITIONAL INFORMATION

- **Technical Skills:** Python, Scikit-Learn, TensorFlow, Flask, PowerBI, FastAPI, SQL, PyTorch, Azure
- **Concepts:** Machine Learning, Computer Vision, NLP, Data Analysis
- **Languages:** English (Fluent), Urdu (Native), Turkish (Basic)
- **Highlights:** Organized Tech Fest'25 workshops with industry experts
